

Tonnellerie Rousseau
Master coopers
in Burgundy since 1954

A brand new product in the Rousseau family, this 1000L cask positions itself as an intermediate product between the 600L barrel and the 13HI cask. It is easy to install in your cellar, the perfect choice for large format maturation at a moderate price and without taking risks !

1000 L Cask

10 Card

- ⇒ French Oak
- ⇒ Stave thickness : 40 mm
- ⇒ Tight / medium-tight grain
- ⇒ ML toasting

This cask is ideal for...

- Demi-muids and small casks users
- Wineries that have limited space in their cellars.
- Those who want to try large format maturation, without risking too much of a financial commitment.

Available equipment

for a cask that better suits your needs :

- racking valve
 - draining valve
